

Upper Iowa University— Faculty-Led Program

CULTURE AND NURSING IN BELIZE

Location

Belize (Belmopan, San Ignacio, Belize City)

Program Description

This course will help you develop culturally sensitive perspectives on healing modalities of different cultures and their application to current nursing practice. An international experience in Belize will create a deeper understanding and appreciation for the theory and framework guiding the integration of transcultural healing traditions.

Course

NUR 352— Exploring Transcultural Nursing

Dates

July 31—August 7, 2020

Cost

\$3,616 - \$3,745

Price dependent on number of participants, but will not exceed \$3,745.

Info Session:

December - February TBA

Application Process

To apply go to the program's online brochure page: <https://bit.ly/2Qsblfu>

A completed application and \$500 deposit are due by **April 14, 2020** to secure your spot in the program.
